

Course Overview w/lanes and boat directions

- A - Launch area - 2-10' x 65' docks
- B - Guide buoys from launch cove to Start Line
- C - Course marker buoys to divide course from public boat traffic
- D - Starting docks – 120' x 4' docks with 35' "L" extension servings as the aligners platform
**** Each lane has movable "fingers" for proper boat alignment and aligners platform**
- E - Finish Line
**** The finish line is directly in front of a concrete pier which is segregated from public disturbance.**
- F - Recovery area – "wet dock" recovery in beach area
**** Recovery area will be fenced to allow only rowers and coaches segregated from public entrance**
- G - Finish Line (Pier) – A concrete pier is in direct correlation of the finish line and will be segregated from public interference.
- H - Spectator Area – The spectator area has a fantastic view of the finish line and provides a close up view for premium viewing. Spectators also have the ability to see the entire race course.

Shell – Spectator - Recovery – Launch - Finish Tower Area

- A - Launch area - 2-10' x 65' docks
- B - Safety/Emergency launch area for referees/emergency personnel
- C - Shell/team areas
- D - Port-o-johns – combined usage for rower/spectators/staff
- E - Spectator area with direct view of finish line within 20 yards
- F - Finish Line tower – Concrete pier will be marked so finish line personnel are secluded from public traffic
- G - Designated crossing lane for shells/rowers/coaches
- H - Recovery Area – Recovery area covers beach frontage with fenced area secluded from spectators
